Electric Tracked Scissor Lifts

100% electric

Low-noise

Platform extension

New in the fleet!

FS0507T & FS0610T

Electric tracked scissor lifts

Thanks to the fully electric drive, these tracked scissor lifts emit no CO2 and make very little noise. This makes them perfect for use in areas with strict environmental requirements.

The non-marking tracks have the nice feature that they do not leave stripes on the surface. The extension of the work platform allows for a larger working range, making work even safer and more efficient for operators.

Technical data

	FS0507T	FS0610T
Rental number	982970	982985
Working height (m)	6,60	8,00
Platform height (m)	4,60	6,00
Platform Capacity (kg)	200	200
Platform capacity extension (kg)	115	120
Platform dimensions L x W (m)	1,31 x 0,72	1,80 x 0,78
Platform extension (m)	0,56	0,89
Ground clearance (m)	0,08	0,14
Turning radius (inside/outside)	0	0
Weight (kg)	915	1.620
Travel speed retracted (km/h)	0-1.9	0-2.0

Dimensions

Length (m)	1,55	2,08
Width (m)	0,82	0,96
Height (railing unfolded) (m)	2,07	2,14
Height (railing closed) (m)	1,48	1,67

Energy source

Battery	24V DC(2*12V85Ah)	24V DC(4*12V85Ah)
Charger	100-240V15A mp	90-240V36A mp

✓ Completely emission-free

✓ Power socket in work platform

✓ Non marking tracks

✓ Extendable platform
