| Dimensions             |                     |
|------------------------|---------------------|
| L x W x H (mm)         | 762 x 522 x 622     |
| Weight (Kg)            | 92 (dry weight)     |
| Technical Data         |                     |
| Fuel Tank Capacity (l) | 6,4                 |
| Running time (h)       | 2                   |
| Generator              |                     |
| Type                   | Linz E1C10M H       |
| Power                  | 6,5kVA - 230V       |
| Frequency              | 50 Hz               |
| Engine                 |                     |
| Type                   | HONDA GX390         |
| Cylinders              | 1                   |
| Displacement           | 389 cm <sup>3</sup> |
| Engine speed (r.p.m.)  | 3000 r.p.m          |
| Cooling                | Air                 |
| Fuel                   | Gasoline            |
| Starting system        | Manual              |

**On board control panel equipped with:**

|                        |                         |
|------------------------|-------------------------|
| Voltmeter              | 1Ph 230V 16 A CE socket |
| Hour meter             | 1Ph 230V 32A CE socket  |
| Handle and trolley kit |                         |

**easy handling & transportability**
