#### **USED MACHINERY - Information**

Email: sales@thinkrpm.co.uk Tel: 01792 949752

RPM REFERENCE: PC2025-0174

MANUFACTURER: ATLAS COPCO

TYPE: COMPRESSOR

MODEL: GA90FF

YEAR: **2014** 

CONDITION: EXCELLENT

PRICE: POA

LOCATION: KENT

## **Description**

3 Available
Full service history
Excellent condition
All in 1 X 40ft container
Can sell separately if required

# **Key Features & Benefits**

- High-Performance 90kW Rotary Screw Compressor Built for continuous-duty industrial use with outstanding reliability.
- > Full-Feature (FF) Package with Integrated Air Dryer

  Clean, dry, and oil-free compressed air from a single compact unit no need for separate air treatment systems.
- > Advanced Elektronikon® Controller
  Ensures precision control, real-time monitoring, energy efficiency, and fault diagnostics.
- Efficient Air-Cooled Design Delivers consistent performance in tough industrial environments without the need for water cooling.
- > High Flow Rate Up to 17 m<sup>3</sup>/min
