KOMATSU CARE

**A MAINTENANCE PROGRAM
FOR KOMATSU CUSTOMERS**

Keep your new Komatsu machine up and running

An new industry standard, with exclusive benefits

Komatsu CARE™ is a maintenance program that comes as standard with your new Komatsu machine. It covers factory-scheduled maintenance, performed with Komatsu Genuine parts by Komatsu-trained technicians. Depending on your machine's engine, it also offers extended coverage of the Komatsu Diesel Particulate Filter (KDPF) or the Komatsu Diesel Oxidation Catalyst (KDOC), and of the Selective Catalytic Reduction (SCR). Please contact your local Komatsu distributor for terms and conditions.

Increased efficiency & peace of mind

Komatsu's next-generation technology for diesel engines leads the way to less emissions and lower fuel consumption. Komatsu CARE™ lets you operate your new S3B/S4 equipment at its highest efficiency and with complete confidence.

Enhance Komatsu CARE™ with extended warranty options

For continued protection from unplanned expenses and impacts on cash flow, take advantage of our Extended Warranty Programs. Select your coverage from four different programs available in many combinations of years/hours.

– and your cost of ownership down
