

### **Model: BWP 4-3 Construction Trailer with Storage and Toilet**

This construction trailer is new and available from stock/within a few days. Very high quality.

It has road approval for 80 km/h (50 mph), TÜV certification, and features one rear door to the living area, as well as two doors on the drawbar side leading to the storage and toilet area, and two windows with crank-operated blinds.

- Body dimensions: 4m long plus drawbar and 2m wide (other sizes available upon request)
- Available colors: light gray or white (other colors available upon request)
- 4cm polyester sandwich walls, insulated
- Insulated GRP flat roof (round roof available upon request)
- The trailer is road-legal at 80 km/h and can be towed by a car
- Gross vehicle weight of 1,350 kg, empty weight approx. 980 kg, lighting compliant with German road traffic regulations (StVO), 4 support legs, overrun brake
- The trailer has an electrical connection, sockets, lights, and a 1kW heater installed
- One permanently installed table (1.60m long) is included
- One chemical toilet in a separate compartment with light is included with this trailer

The price is gross; 19% VAT will be shown separately on the invoice.

The pre-delivery charges for this trailer are €490 gross.

Delivery can be arranged/carried out cost-effectively within Germany and the EU.

Self-collection in Dortmund is possible.

Offer subject to change without notice, errors and prior sale reserved.

For an additional charge, the construction trailer is also available with a higher gross vehicle weight (GVW) up to 3,500 kg, then also as a tandem axle trailer.

Further possible options:

- Solar panels
- Sink
- Kitchenette
- Upholstered benches with storage compartments
- and much more

Other sizes, e.g., 4.50 m x 2.20 m, 5.00 m x 2.45 m, 6.00 m x 2.45 m, or 7.50 m x 2.45 m (length/width), are available upon request.

RAL standard colors for orders:

Yellow RAL 1003/RAL 1007, Red RAL 3001, Blue RAL 5010,

Green RAL 6002, Gray RAL 7035, Gray RAL 7037, White RAL 9010

Various windows, sales hatches, and custom modifications/kitchen installations are available at an additional cost.
